

THE PUBLIC IS INVITED TO

The Van Duzen Watershed Project
Third Semi-Annual Stakeholders Event
at
ROHNER PARK RECREATION CENTER
in Fortuna

WEDNESDAY, March 12
6:30 – 8:30 PM

Sponsored by Friends of the Eel River

Guest Speaker: Pat Higgins, Fisheries Biologist, will discuss the history of the Total Maximum Daily Load (TMDL) and how it relates the Van Duzen River Basin.

Also on the Agenda:

- Learn how residents are helping to collect water quality data and other information about our local streams.
- Learn about GIS and the use of aerial photography in the analysis of road and stream data in the Lower Van Duzen River Basin.
- Participate in the Assessment Process, and learn about the conditions of our local watersheds.

Refreshments will be served.
